

HENRY — HUYNH

5

Years of Experience

“ I design and develop digital experiences that bring ideas to life, blending creativity and technology across E-learning, branding, UI/UX, motion graphics to craft engaging products, visual stories, and user-focused interfaces that are intuitive, impactful, and built to last, with a focus on creating meaningful connections between people, ideas, and design.

Experience

	Company	Year
Multimedia Developer	Canadian Food Inspection Agency	09/2020 — 10/2024
	- Designed and developed bilingual, accessible e-learning modules using Articulate Storyline and Adobe Creative Cloud, aligned with Government of Canada standards. - Partnered with instructional designers and subject matter experts to translate complex regulatory and operational requirements into clear, learner-focused solutions. - Created scenario-based eLearning across HR, IT, food safety, animal, and plant health domains, simplifying technical content into practical learning experiences. - Built SCORM-compliant modules in LMS platforms, supporting accurate tracking, reporting, and learner analytics. - Produced engaging multimedia assets, including motion graphics and visual content, to enhance learning experience. - Led eLearning projects in a fast-paced environment, ensuring quality, alignment, and compliance with data security policies.	
Digital Production Designer	Canadian Food Inspection Agency	09/2020 — 10/2024
	- Created concepts and visual designs for digital projects and content across CFIA's external social media channels and internal communication platforms. - Edited and delivered high-quality animated video productions for internal and external media, events, and recruitment initiatives. - Produced multimedia assets including posters, banners, brochures, video edits, and digital elements for social media content. - Managed and maintained the multimedia asset library to improve organisation, accessibility, and cross-team collaboration	
Senior CEO Assistant	Shinhan Bank Vietnam	09/2016 — 07/2017
	- Assisted the CEO in daily operations, including scheduling, meeting coordination, and administrative support. - Facilitated communication between Korean headquarters and international branches. - Prepared presentations and reports for internal and external stakeholders. - Translated documents, reports, and correspondence between Korean and English to support executive communications. - Managed confidential information with discretion and professionalism.	
ICT Officer	Shinhan Bank	11/2014 — 08/2016
	- Administered internal systems, including Aither Core Banking, Shinhan Mail System, Internal Messenger, Global Portal, and Banking Security System to ensure seamless operations. - Managed employee ID access and core banking authorisation, maintaining security and compliance. - Provided IT support, troubleshooting system and network issues for employees. - Translated and maintained Korean policy documents from the Regional Office, ensuring accurate communication and compliance.
